About Me

I am a hands-on, adaptable Captain with a World Championship and Tre Golfi (Sorrento) competitive sailing background, alongside an RYA Yachtmaster Offshore (Sail & Motor). Having spent years managing fast-paced, weekly charter rotations, I am highly accustomed to solving problems on the go, handling vessels in challenging weather, and keeping guests safe. Beyond navigation, my time at The Italian Sea Group gave me a solid, practical foundation in technical maintenance. Fluent in four languages, I bring resourcefulness and a positive attitude to any vessel
